

Creekside High School Athletics

TO: Creekside Parents
FROM: Creekside Athletics
RE: Volunteer Information

Creekside Athletics is very grateful for the volunteers who tirelessly offer their valuable time and talent to make a difference with our athletic teams. Volunteers make a huge difference, creating a positive and fun environment. Volunteers not only assist our teams, but make success possible!

All parents who will have school access (for meetings, etc.), and those who wish to volunteer must register for clearance. If you are not certain whether you have clearance, please do not register again, instead please email our Athletics Volunteer Coordinator, [Linda Grossman](#) and she will confirm. Once you have registered, you should never have to register again! Instead send an email to our Athletics Volunteer Coordinator, Linda Grossman and she will check your clearance, and transfer your status to Creekside if necessary: chsathleticsvol@gmail.com

If you are certain you have never registered, please follow the link below:
