# GPA

- GPA starts in 9<sup>th</sup> grade, or in middle school, if the student was awarded high school credit (generally for a Math or a Foreign Language)
- ALL classes taken are included into GPA calculations
- It is the semester grade that becomes a part of the GPA, unless the course is considered a full credit course (Algebra 1, Geometry and Biology)

# GPA

- Unweighted GPA – Graduation GPA

- All courses (academic and elective) are averaged into the GPA; grade forgiveness applies

- Weighted GPA – Ranking GPA

- All courses (academic and elective) are averaged into the GPA; grade forgiveness applies
- .5 weight for honors, 1.0 weight for AP and DE

- Bright Futures GPA and College Admissions GPA (does not round up)

- All CORE academic courses plus 2 years of Foreign Language (plus optional 2 academic electives are averaged into the GPA)
- .5 weight for honors, AP and DE for Bright Futures
- .5 weight for honors, 1.0 weight for AP and DE for College Admissions
- To Check eligibility for these 2 GPA's check [www.FLVC.org](http://www.FLVC.org)

Example: Unweighted: 4.0, Weighted: 4.688, Bright Futures: 4.2, College Admissions: 4.3
