

Instructions to purchase a Creekside High School parking permit.

Permits are available for seniors and juniors. Print the 2017-18 Creekside High School Parking Rules. Read and fill out the parking rules form. The \$75 payment can be a check made out to Creekside High School or cash. The check or cash along with a **copy** of the student's driver's license, a **copy** of the vehicle registration, a **copy** of proof of insurance, and the completed rules form should all be turned in together to Dean Hudson during orientation or during lunches when school starts. (It would be beneficial if the license, registration and insurance card were all copied onto one sheet of paper.)
