CAREER ACADEMIES
of St Johns

Experience. The Difference.

The **ENGINEERING** programs offers students the opportunity to dive into a rich curriculum that exposes them to several branches of the engineering field including civil, mechanical and environmental, as well as manufacturing. Students have the opportunity to earn top recognized certifications like Occupational Safety and Health Administration (OSHA) and Manufacturing Skill Standards Council (MSSC), AutoCad, Revit, Inventor, and Solidworks.

Industry Certifications

CERTIFIED
Associate

SOLIDWORKS

OSHA CERTIFIED
Occupational Safety & Health
