

What is a Career Academy?

A program of study with a sequence of courses geared towards a career-path.

These recommended courses take the place of an elective on your student's schedule.

Sponsored by Citi

A chance to try out a career and college topic before you actually get to college.

Saves parents thousands of dollars in students switching majors.

Students are surrounded by like minded peers who share the same passion for the subject.

Students become part of a "school body" within their school to connect about subjects they enjoy.

Typical 9th Grade Schedule

Standard	Honors/Advanced Placement
English 1	English 1 Honors
Algebra 1	Algebra 1 Honors, Geometry Honors or Algebra 2 Honors
Environmental Science	Biology Honors or Physical Science Honors
World History	World History Honors or AP Human Geography
HOPE	HOPE
Elective	Elective
Academy Course	Academy Course

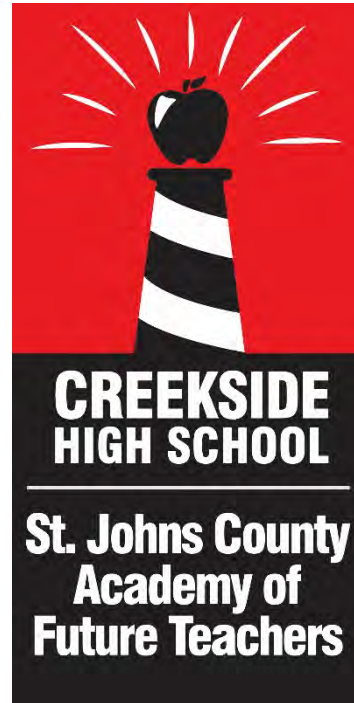

What Career
Academies are
offered at Creekside?

- Digital Media
- Cybersecurity
- Financial Technology

- Environmental Sciences
- Engineering

TV Production – Soft Rollout

Adobe® Creative Cloud™

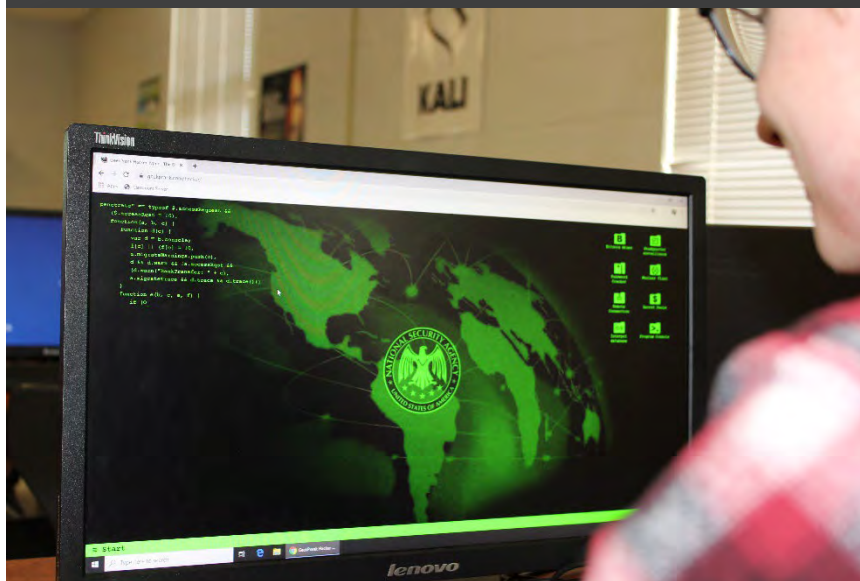

Sponsored by Citi

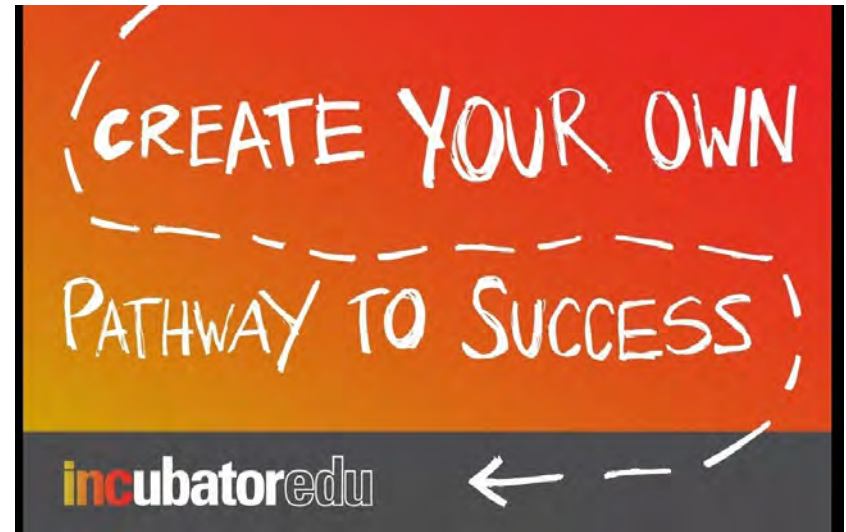

Digital Media

Students will learn several Adobe Creative Cloud desktop apps that include skills in vector graphics and illustration, photo editing, video editing, publication layout and more.

Cybersecurity

Students will be immersed in network security, security vulnerabilities, attack mechanisms and techniques, cryptographic systems as well as other security technology.

Financial Technology FinTech

Students will be introduced to how technology works, an introduction to applications in financial services, and an added entrepreneurship component through hands-on problem-solving experiences.

Sponsored by Citi

Environmental Science

Students will study ecosystem awareness, water quality, air quality, managing hazardous materials, green building technologies, forests and wetlands management, as well as Environmental Legislation.

Engineering

Students in the engineering program will learn the skills and software needed to invent, innovate, design, manage, and build structures or machines.

Future Teachers

Students are introduced to the teaching profession, human growth and development, curriculum and instruction. Students have numerous opportunities for job shadowing and internships in our local schools.

**CREEKSIDE
HIGH SCHOOL**

**St. Johns County
Academy of
Future Teachers**

NA

Students will not only learn several Adobe applications necessary for the TV Production industry, but also the technical skills, such as scriptwriting, lighting, filming, directing, and field production.

TV Production (Soft Rollout)

A Career Academy is
not just your average
elective.

Experts as Teachers

Academy of Emerging Technology

- Cybersecurity
 - Mr. Wingate
 - Mr. Lafond
- Digital Media
 - Ms. Russo
 - Mr. Calderone
- Financial Technology
 - Mr. Wingate
 - Ms. Russo

Engineering and Environmental Sciences

- Environmental
 - Ms. Pressel
- Engineering
 - Mr. Davenport
 - Ms. Donato

Future Teachers

- Ms. Ashker
- Mr. Leininger

Industry Certifications

Develop your resume while in high school.

Innovative Technology

Learn using industry tools.

A photograph of a group of approximately 20 students and one adult woman standing in a modern gallery or museum. The woman, on the left, is wearing a blue dress and is gesturing while speaking to the group. The students are dressed in casual to semi-formal attire and are listening attentively. The room has large windows, concrete pillars, and modern pendant lights. Two large abstract paintings are visible on the walls in the background.

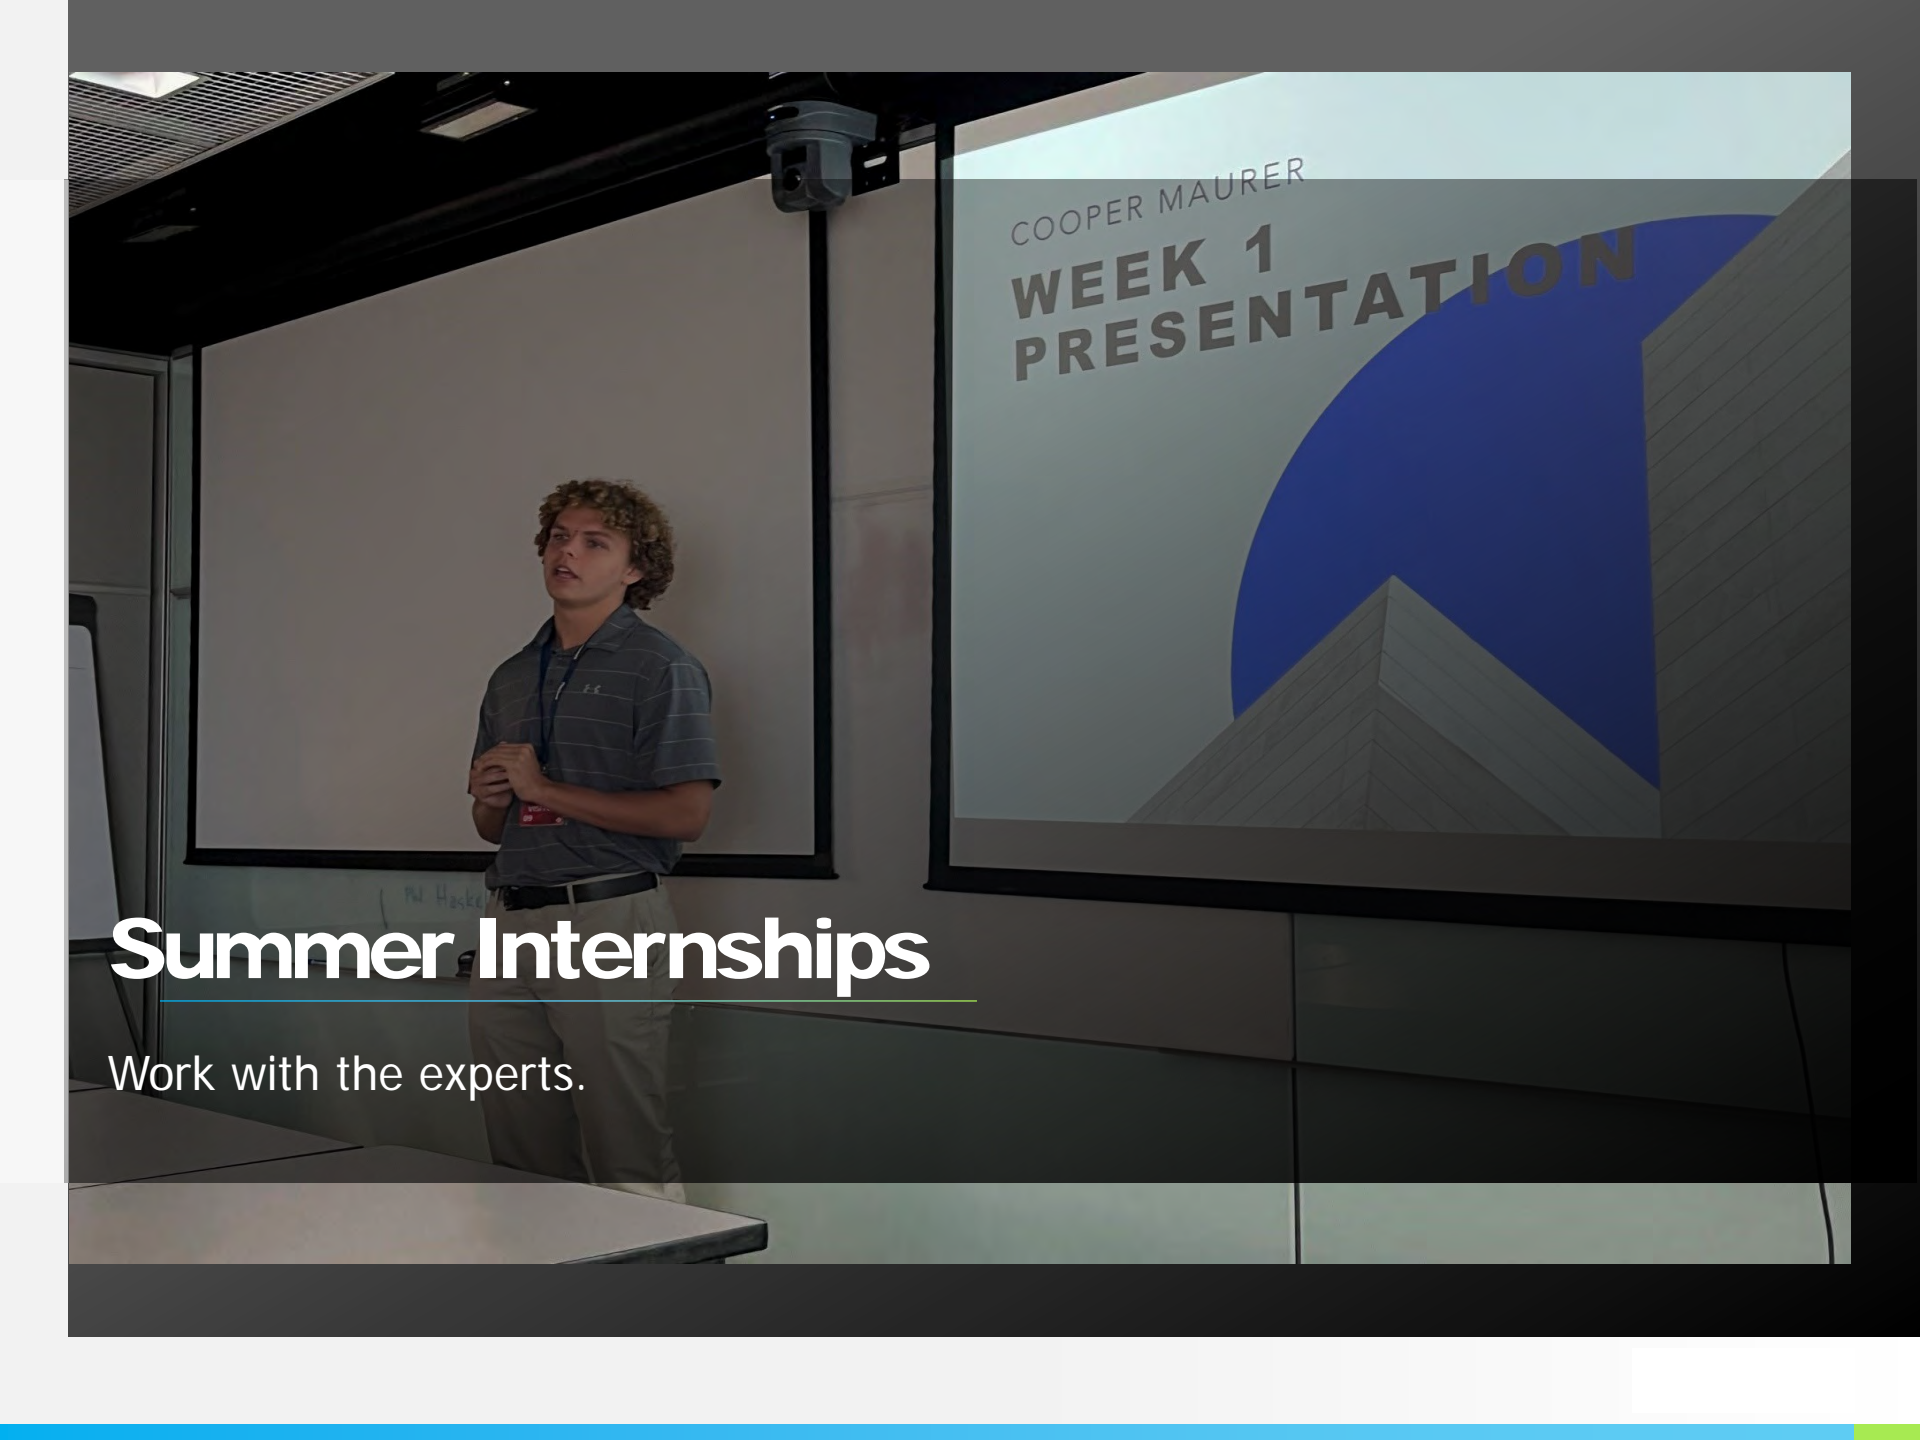

Off Campus Learning

Trips delivered by business partners from the industry.

COOPER MAURER

WEEK 1 PRESENTATION

Summer Internships

Work with the experts.

A red double-decker bus is shown from a low angle, highlighting its two levels. The side of the bus is painted red with a white horizontal stripe. The words "Savannah College of Art and Design" are written in a gold, serif font along the side of the upper deck. The bus is parked indoors, and its interior is visible through the open side door. Inside, there are white cabinets, a counter with various items, and a person wearing a white shirt and a cap. A sign on the side of the bus near the door reads "ADDITIONAL SEATING UPSTAIRS".

College Visits

Decide your next path by experiencing the post-secondary school first hand.

Clubs

Connect with friends who are passionate about the same topics as you.

Engineering Club

THE NATIONAL CYBER LEAGUE

Community Service Projects

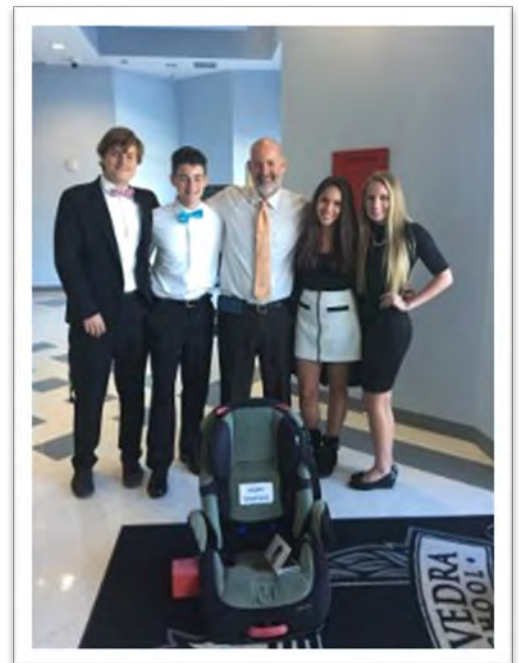

Give back to your community.

Competitions

Challenge yourself and your team

eSchoolPlus Home Access Center (HAC)

Home Access Center (HAC) allows students and parents to view their child's educational information via a secure, password protected website.

All schools in grades 3-12 will be participating in HAC starting this year (exceptions may apply to charter and DJJ schools). HAC access for KG-2nd grade students is currently being piloted at several elementary schools.

Please use the links on this page to view the following Home Access Center documents:

1.	Home Access Center Media Release	This media release introduces the Home Access Center (HAC).
2.	Home Access Center Introduction Letter	Provides general program description and purpose.
3.	Home Access Center FAQ's	Provides questions and answers to common Home Access Center questions.
4.	Using Home Access Center	Provides parents a guide to using the Home Access Center.
5.	Out of Area Account Request	Provides parents the option to request a Home Access Center account by mailing or faxing the completed form to the

Cyber Patriots Team Takes 1st in State

Congratulations to the Creekside High School Cyber Patriots team, TORTured Onions, for placing 1st in the state.

Girls Volleyball District Champions

Congratulations to the Creekside Girls Volleyball team on winning back-to-back district titles.

Scholastic National Gold Key Winner

Senior Daniella Young won a prestigious Scholastic National Gold Key for a drawing she submitted to Scholastics Art Awards last December, 2020. After winning a Regional Gold Key, Daniella's work went on to receive a National Award summer 2021. This is a huge achievement for Daniella as a National Gold Key winner. The CHS Art ...
