2017-2018: District Runner-Ups – 6-1 Record

2018-2019: District Champions – 7-0 Record

2019-2020 Team Outlook: Creekside Girls Weightlifting Teams have become a force to be reckoned with in the Northeast Section of Florida. After a District Runner-up and District Championship back to back, the girls look to defend their titles with a strong team this year. With several Regional Qualifiers and a state qualifier returning, the season looks to be one to remember. The team has shown commitment and dedication early in the off-season, which will definitely help the team again shine amongst the elite of the state.

Featured Athletes:

**Grace Wiegel** (Class of 2020) – 129 Lb. Division – Grace was only a few pounds out of the medals last year at the state meet. Grace is a two-sport athlete who also competes on the girl's lacrosse team. Grace plans on attending Florida State University and majoring in Psychology before attending law school.

**Julia Osborne** (Class of 2020) – 139 Lb. Division – Julia is a strong leader who qualified to the regional meet last year and has already shown huge gains over the summer. Julia plans on attending Florida State University majoring in Criminology.

**Kelly Walker** (Class of 2020) – 199 Lb. or Unlimited Division – Kelly is a returning letterman who has also qualified to regionals last year and looks to compete for a district individual title. Kelly also is a part of the State Runner – up Softball team at Creekside. Kelly plans on attending Boston College and majoring in Neuroscience.
