

CREEKSIDE HIGH SCHOOL LADY KNIGHTS BASKETBALL

Team Info

Head Coach: Wade Cashwell, 4th Season as Head Coach (50-35)

18-19 Record: 20-10

2019-2020 Team Outlook: The Lady Knights enter the season off a strong 20 win season in which they came up short against rival Bartram Trail in the District Championship and Regional Semifinal games. This season looks to build off the success from last year and approach every game with an "Attack" mentality. Our goals are to win a District Championship and make a push towards a Final Four berth in Class 6A.

Featured Athletes:

Senior: Madison Lippy – Maddie has been a staple of the Lady Knights starting lineup for since her sophomore season. With her smooth 3 point shot and ability to attack the rim and finish in traffic, she will look to lead the team on their push to the Class 6A playoffs

Junior: Taylor Gardner – Taylor has been a starter since her freshman year. Taylor brings tight handles, an improved 3-point shot, strong finishing, and tenacity on D to make her a Double-Double threat every night.

Sophomore: Emily McIntosh – Emily burst onto the scene as a freshman with the ability to knock down threes with ease. She is a smooth operator attacking the rim and uses her length to disrupt opposing guards on the defensive end of the floor.

Freshman: Kayla Kastor – Kayla is a combo guard/forward with the strength to battle inside and the handles to contribute along the perimeter. She is a tenacious rebounder and slasher.
