

# **Contactless Ticket Sales for 2020-21 Athletic Competitions**

Creekside High School has implemented a contactless delivery system for ticket sales transactions. Tickets will be purchased on our website via the GoFan system and accessed by ticketholders through their smartphones.

This move to mobile ticketing allows for faster delivery of tickets to fans, safer contactless transactions at gates, and an accurate count of attendees per game. This system also affords flexibility to our fans with the ability to receive, share, and use tickets in a contactless manner.

## **Varsity Football Ticket Procedures**

All varsity football tickets are sold online only. Parents of football, cheer, dance, and band will have early access each week to purchase a limited amount of tickets per game. Every Thursday, remaining tickets (if available) will be offered (via lottery) first to senior Creekside students. On Friday morning, game day, the ticket link will be opened to the general public on the Creekside website. No tickets sold at the gate.

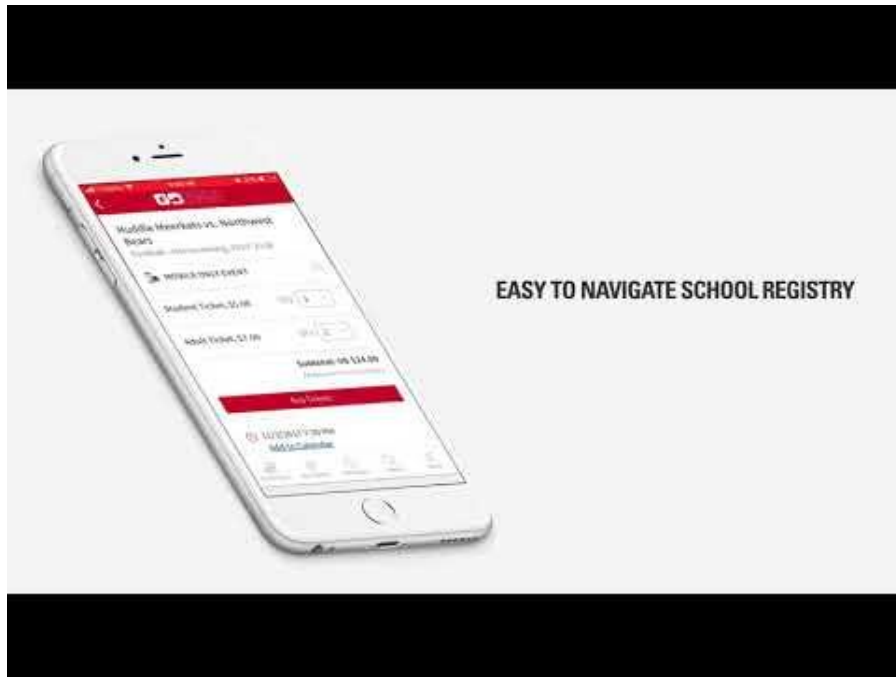

## **COVID-19 Protocol**

All fans and volunteers will be required to wear a mask and practice social distancing inside all Creekside facilities. The safety of our students, staff, and fans is our primary concern.

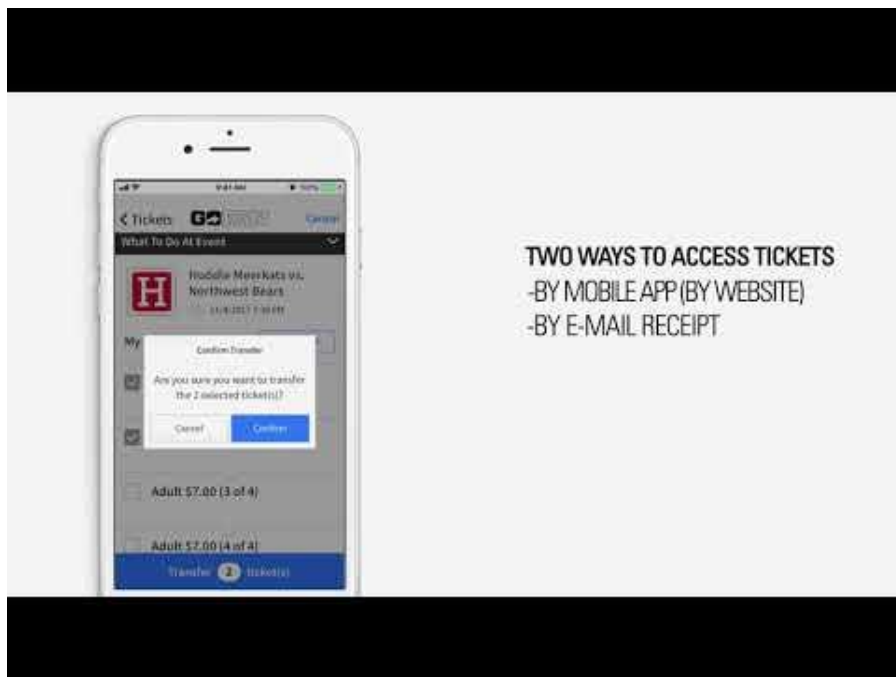

## **Purchase Tickets**

Purchase Creekside Athletics tickets on the Creekside Athletics website or by following this link: <https://gofan.co/app/school/FL25577>
