

Coach Brent Johnson announced his resignation as Creekside's Head Girls Soccer Coach following the 2020-21 season. Creekside Athletics extends our sincere gratitude to Coach Johnson for leading the Creekside Knights Girls' Soccer Program for the past nine years. He truly cared about the success of the players, both as students and athletes. He focused on work ethic and knew how to get the best out of each individual, as evidenced by the program's tremendous success. Under Coach Johnson's leadership, the Knights enjoyed multiple district and region championships and two trips to the State Final Four.

Thank you again, Coach Johnson!
