## **Creekside Wrestling Records, Fact and History**

### **BELIEVERS AND ACHIEVERS**

**"You never know what you can until you try."**

- 2008-10 Nathan Haney 1st year record was 14-15 as a Junior. His senior year record was 26-13 & regional qualifier
- 2008-10 Logan Haney 1st year record was 8-4 as a Junior. His senior year record was 26-10 & regional qualifier
- 2008-10 Parker Dufresne in his Senior year at Regional lost by technical fall & move to the consolation. Battling back only to meet the same wrestler in the state qualifying round. Parker won 11-10 to become one of our 1st state qualifiers.
- 2008-11 Luke Pustay 1st year record was 15-12 as a Sophomore and wrestling at 3 different weights 112, 119 & 125. Senior year he was 34-4, won a Conference Championship @ 112, place 2nd at District & career record of 75-18
- 2008-11 Matt Watson 1st year record was 11-12 as a Sophomore. Junior year record was 41-4 record & became the school's 1st conference & district champion as well as the 1st 2x State qualifier with 80 career wins & 191 takedown
- 2008-11 Justin Langdo spent his 1st two years in a back-up roll and finally got his starting spot his Senior year. His record was 20-16 and qualifying for regional.
- 2010-11 Aaron Soto decided his Senior to come out for the wrestling team having never wrestled before. His record was 16-14 and went on to be a regional qualifier.
- 2009-11 Alex Watson started his wrestling career in his Junior year & went on to have 24-8 record. His senior year, he went on to become the school's 2nd District Champion. ended his career with an overall 41-14 record.
- 2008-11 Daniel Williams, in one of his last matches for Creekside was against the 1A #2 rank wrestler in the State. Daniel went into the match injured, pretty much only had the use of one arm. He was behind 15-1 & if he gave up 1 more point the match was over, a technical fall. Never quitting, Daniel won the match by pin.
- 2008-12 Dylan Scanlon became the first 4 year starter for Creekside wrestling. As a freshman, he did not win a match, but through hard work and continuing to improve, Dylan has earned 70 career wins and became
- 2010-12 Brendan McLaughlin came out for wrestling his Junior year and his season record was 18-17. After that season, he dedicated himself in the off season & in his Senior year his record was 24-14. He was 1 match away from becoming a state qualifier, but could not continue due to an injury. A credit to Brendan mental toughness, he never lost an overtime match his season, which he had 3 his senior year.
- 2011-13 Austin Wynn a converted baseball player came out his freshman year & wrestled mostly JV. In his sophomore year, he accumulated a record of 30-11, placing 3rd at district & defeating our district champion to qualify for state and becoming the 1st sophomore to qualify for the state tournament.
- 2009-13 Aaron Galang started wrestling his freshman year & would become the most accomplished Creekside wrestler. He ended his career with an overall 114-22 record, 75 career pins and 250 career takedowns. He was a 2x district conference champion, 1x regional champion, 2x state qualifier and 1x state placer (6th).
- 2011-13 Shane Carpenter transferred from Gateway High School in PA with a 16-16 record. His over all record at CHS is 76-4 with 51 career pins & 90 career takedowns. He was a 2x conference, district and regional champion along with being the school's first wrestling state champion and having undefeated season of 41-0.
- 2013-14 Jared Langdo missing most of the season with a broken hand came back a week before the district to win the tournament than a week later placing in regionals to qualify for state.
- 2013-14 Cole Eubanks came of nowhere his junior year & surprised some of the top heavyweight wrestlers. This year he placed in every tournament except the state tournament, which he qualified.
- 2011-15 Austin Wynn a converted baseball player came out his freshman year and during his 4 years he has accomplished a great deal with a career record of 112-30. He currently holds the most takedowns in a season (158) & the career takedown record (317). He is a 2x district & regional champion as well as a 3x state qualifier
- 2012-16 Gus Fischer came out his freshman year and during his 4 years he has accomplished a great deal with a career 103-29. He holds the most pins in a season (33). He's a 3x district champion, 1x regional champion and 1x state placer with at 5th place finish to cap of his career.
- 2016-17 Brendan Jones came out of obscurity his junior year to place in every in season tournaments, winning district, placing at regionals and becoming a state qualifier. Brendan for the past two season wrestled on the JV, but putting the extra effort in the off season & transformed into outstanding wrestler and leaders. This season he was 35-19
- 2017-18 Max Patterson struggle with a shoulder injury for the past 3 years. In his Senior year at the regional tournament, Max battled back with 1 last second win and 2 over time matches to get tp the blood round or 1 match away from qualifying for state. Max wrestled pretty much with 1 arm and came up short to his goal of being a state qualifier, but in the end he left it all on the mat.
- 2018-19 Cody Smith a freshman and first year wrestler with a record of 25-10 did something that only 2 other freshman have done in the past 11 years, which is win districts. He continued his success at regional by battling back after a lost

## **Creekside Wrestling Records, Fact and History**

all the way to the bloodround or the placement round. This is something that rarely happens with a freshman and first year wrestler.

2019-20 Jalen Hines started the season off wrestling 170 and mid season moved up to 182. His first time at that weight was at the Flagler Rotary Tournament. Jalen went on a tear and made it to the finals placing 2nd. The following week Jalen did the same thing in the Clay Rotary tournament. Then went on to be the solo district champion, regional place winner and state qualifier.

2020-21 Diego Rivera was down 15-4 in the third period in the first round of the regional tournament. Setting up in Par Teir position on top comes out front at the start of the period and hits a gator roll putting his opponent on his back. His opponent fights off his back and Diego does it again putting his opponent on his back for the second time in the same period. This time he pins him with less than 30 seconds left in the match. Diego will use the gator roll in 2 more matches to become a state qualifier.

**What's your story? Remember, "the harder you work, the more luck you will have."**
