

CREEKSIDE ATHLETE REGISTRATION

All student-athletes will register with the FHSAA sponsored online paperless eligibility system, **AthleticClearance.com**. The physical form (**EL2 Revised 3/23**) form will still need to be printed and signed by the physician, but instead of bringing it to the school, you will upload it to the secure site. In the event of an emergency, medical staff will have immediate access to this vital information. The EL3 Consent Form, Pursuing Victory with Honor agreement, and insurance information will be submitted online utilizing digital signatures. Watching and uploading the NFHS Safety videos is an annual requirement and certificates must be uploaded prior to being cleared. Although easy to navigate, please do not hesitate to contact us if you have any questions. **All student-athletes must be cleared prior to participation, conditioning, or tryouts.**

FAQ

What is my Username?

Your username is the email address that you registered with.

Multiple Sports

If you know your student will play multiple sports, it is best to add all sports on the first step. If you are registering for additional sports after completing your initial clearance for the year, you will have to complete the process again. The good news is that if you select the student and parent info from the dropdown on those respective pages, the information will autofill.

Physicals

The physical form can be downloaded on **Medical History** page. Please note that physicals expire after 365 days. Also, the **FHSAA EL2 Physical** is the only form accepted. The form **MUST BE SIGNED** by the **PARENT, STUDENT**, and Florida **PHYSICIAN** prior to uploading the file or your clearance will be denied.

Your Files

This area is meant to store your files so you can access them later in the year or perhaps years following.

Why haven't I been cleared?

The Athletic Department will review the information you have submitted and Clear or Deny your student for participation. You will receive an email when the student is cleared to participate or has been denied.

My student was denied, now what?

You should have received an email with the reason for denial. Please update your Clearance record accordingly, then send an email to the [Athletic Trainer](#) and ask them to review the information.
