When is Tryouts? Where?

Monday, October 14: 4pm - 6pm (no school)

Tuesday, October 14: 4:30pm – 6pm (includes fitness test that will require running shoes also)

Wednesday, October 15: 4pm – 6pm (early release) | rosters will be posted that evening

We will meet at the field next to the tennis courts on that Monday

What do I need to do to tryout?

ALL Athletic Clearance paperwork and processes must be complete BEFORE a player may step on the field to tryout. No exceptions. Only fully cleared players will be allowed to participate in any capacity.

<https://www-chs.stjohns.k12.fl.us/athletics/wp-content/uploads/sites/11/2021/05/2021-22-Athletic-Clearance.pdf>

What do I need to bring to tryouts?

All players must have shin guards, soccer appropriate athletic wear, cleats, and running shoes for each session. Water will be provided.

What will happen at tryouts?

Players will be put through activities to test their soccer understanding, technical ability, athletic profile, effort, and fitness. There will be a fitness test on the track. Varsity players are expected to complete **2 miles in under 12 minutes**. JV players in under 14 minutes.

What commitment am I making by joining the Boys Soccer Program?

1. We practice or play almost every school day (and some non-school days) from October 13 until at least mid-January for JV, and mid-February for Varsity. All team activities are mandatory.
2. All Boys Soccer families are expected to volunteer 2-3 times a season for a home game.
3. The program is self-funded. All players that accept a spot on either team accept the financial responsibility for the following:
 - \$75 Athletics Booster Club membership | <https://creeksideknights.com/membership/>
 - \$125 county's pay to play
 - \$400 contribution to Boys Soccer team fund per Varsity player (\$300 for JV). Includes some gear to keep.
 - \$~50 in team gear purchases

Are there any pre-season workouts or training?

There are not any organized activities until tryouts. Most of our players play high level competitive club soccer in the Fall and Spring where they train/play 4 days a week.

Will there be any information meetings for parents or prospective players?

There will be an on-campus after school meeting for players in September. That will be announced through the school. A Parent meeting will follow roster selections.
