

Creekside Beach Volleyball Summer 2026

Head Coach: Megan Bowers Asst. Coaches: Bryan Wolcott, Dawn Madden
Email: megan.bowers@stjohns.k12.fl.us

Attendance and participation does not guarantee you a spot on the team.

****Summer Beach Practices:** Practices will begin Monday, June 22, but all remaining practices will be on Monday and some Thursday mornings @ 7:00-8:30am, beginning June 22 and ending July 23. Practices are open to anyone interested in playing beach volleyball at Creekside. Players must be zoned Creekside or registered at the school prior to participating.

Communication: All communication will run through our BAND App. You must be in this to receive updates, rsvp for practices, etc. We use this to communicate if the weather is bad and we are needing to cancel or move practices, etc. This should be where you check information first! RSVP on the calendar so we can plan for how many athletes we will have. Email Coach Bowers to get the link.

Location: We will be practicing at Nocatee Community Park. These courts are first come first serve, but are free to use. If needed we will rent courts at SportsEdge, but there will be a fee to attend those practices.

****Athletic Forms** - Each athlete must have the following forms completed and scanned into **Athletic Clearance** (directions/forms online under the Athletics tab):

1. **physical (EL2 2/26) good for one year April 15, 2026 – April 14, 2027 NO HARD COPIES, everything is electronic.**
2. **EKG form**

Why Beach?: This is an NCAA sport as well as FHSAA sanctioned. the girls can earn college scholarships. We encourage the girls to find a partner that compliments them and play in tournaments over the summer. **There are junior beach tournaments for all ages in Jacksonville, Orlando, Tampa, etc.** The advantage to playing on the beach is more contacts on the ball. You are always involved in every aspect of the game. SportsEdge has summer opportunities as well. This is one of the fastest growing sports for girls!
