### **When is Tryouts? Where?**

Monday, October 12: 2:30pm – 5:30pm (no school)

Tuesday, October 13: 4:30pm – 6pm

Wednesday, October 16: 3:30pm – 6pm (early release)

We will meet at the field next to the tennis courts on that Monday / Wednesday and at the track on Tuesday.

### **What do I need to do to tryout?**

ALL Athletic Clearance paperwork and processes must be complete BEFORE a player may step on the field to tryout. No exceptions. Only fully cleared players will be allowed to participate in any capacity.

### **What do I need to bring to tryouts?**

All players must have shin guards, soccer appropriate athletic wear, cleats, and running shoes for each session. Water will be provided.

### **What will happen at tryouts?**

Players will be put through activities to test their soccer understanding, technical ability, athletic profile, effort, and fitness. There will be a fitness test on the track. Varsity players are expected to complete 2 miles in under 12 minutes. JV players in under 14 minutes.

### **What commitment am I making by joining the Boys Soccer Program?**

1. We practice or play almost every school day (and some non-school days) from October 12 until at least January 29 for JV, and February 26 for Varsity. All team activities are mandatory.
2. All Boys Soccer families are expected to volunteer 2-3 times a season for a home game.
3. The program is self-funded. All players that accept a spot on either team accept the financial responsibility for the following:
  - \$75 Athletics Booster Club membership | <https://creeksideknights.com/membership/>
  - \$150 county's pay to play
  - \$400 (Varsity) or \$300 (JV) contribution to Boys Soccer team fund
  - \$~75 in team gear purchases

### **Are there any pre-season workouts or training?**

There were activities over the Summer (workouts, camp at Creekside, and team camp at Daytona State College), but once school starts there is not anything organized until tryouts.

### **Will there be an informational meeting at school?**

No. All information will be shared via the website until rosters are set. After that sportsYou will be used.
