Venus Manly Scholarship

Part 2. Interview

Interviews of 10 semi-finalists will take place before April 30th, 2020.

Venus Manly was an inspiration to many of her fellow students, teachers and the members of the Center for Spiritual Living (CSL) St Augustine. She loved attending school! Her bright smile would light up the classroom revealing her desire to learn no matter the pain or discomfort of sitting in a wheelchair throughout the day.

St. Johns County high school seniors with documented disabilities graduating in May 2020 can respond by reflecting on how they have overcome their specific challenges and state a vision of their future contributions. We will invite graduating seniors to present these ideas during a committee interview to compete to win one of three \$1,000 scholarships. Scholarship winners are eligible for ongoing funds and services through the Caring Community Connection Fund.

Visit CSLStAugustine.org for the application.
