2. It will be the responsibility of the student whose schedule has been modified to obtain information about junior activities.
3. The student will still be able to qualify for the Florida Bright Futures Scholarships if he/she meets the criteria for the scholarship before graduation.
4. The student's schedule will have 6 classes and modified 1st or 7th period only. We cannot give a choice as to period. It is based upon the rest of the classes that you choose. We may not be able to change from 1st to 7th or vice versa after the schedule is built.
5. The student's schedule will not be changed to reduce instruction time once school starts.
6. Having a modified schedule is a privilege. A student's schedule may be changed to eliminate the modified schedule due to academic or behavior concerns.
7. The district assumes no obligation or responsibility for transportation difficulties generated by the decision to follow a modified schedule. **Students must not be on campus when they are not scheduled for a class. Continual violation of this will result in removal of the modified period.**
8. The student must have his/her own transportation and be off campus during the modified schedule time.

Graduation Requirements for All Students:
