- Students who receive a Level 1 or 2 score on the ELA FAST tests will be placed in Reading. In these cases, Reading will replace one of the student's chosen electives. These changes will be made over the summer as test scores are reported.
- Course offerings may change based on request numbers and scheduling availability.

HOPE is available on campus at CHS.

HOPE is a graduation requirement, and it is recommended that the course is taken Freshman Year of high school. HOPE will be placed on all CHS Freshman schedules.

If you choose to complete it as a virtual class before beginning your 9th grade year at CHS, please ensure that you notify us.

If you have started HOPE before your 9th grade year, it will be removed from your pending schedule once segment 1 is completed online and proper notification has been made to the guidance department. In order to notify the guidance department of completion of segment 1 online, you may email Ms. Sundstrom (Jessica.Sundstrom@stjohns.k12.fl.us) or complete the form on the CHS Guidance Webpage. Taking HOPE online does not guarantee placement in the student's next prioritized elective. **You may be placed into Team Sports if all other elective choices are already full at the time you notify us.**
