Scholarship Eligibility Requirements

It is the goal of the Order of the Sons of Italy in America to promote, enhance and encourage the study of Italian Heritage and Culture. This scholarship program is designed to benefit worthy students of Italian descent attending high school in the North Florida area who exhibit admirable qualities befitting the award of these scholarships. Emphasis is placed on the “whole student concept” to include scholarship, leadership, participation in local / community/church/athletic activities. In contrast to many scholarships, OSDIA awards are designed to recognize balance over excellence in any of these areas.

Basic Criteria:

1. Applicant must be a U.S. Citizen able to provide Italian family lineages.
2. Applicants must have a minimum grade point average of 3.00 (not weighted)
3. Scholarship recipients must be accepted as a full-time degree-seeking student of an accredited community college, college, or university and enroll immediately following graduation from high school excluding summer sessions.

Finances:

Scholarship funds will be released by the OSDIA Lodge Chairperson to the Bursar or Financial Aid Office of the gaining institution upon receipt of both an acceptance letter from the institution together with correspondence indicating the awardee’s intent to register for classes.

If there is a change of plan by the awardee, this recipient must immediately notify the Lodge Scholarship Chairperson so the funds may be transferred to the appropriate institution. Similarly, any unused funds in the account must be returned to the Amici d’ Italia Lodge 2791 Jacksonville Florida if the student terminates studies and does not transfer to a different institution.

Exceptional circumstances may be considered in writing on a case-by-case basis by the OSDIA Scholarship Committee.
