

Principal's Remarks

I would like to welcome you to Creekside High School for our 2026 Senior Recognitions. This is an exciting time where we reflect and recognize the achievements of the past four years. We are glad you are here with us to recognize these seniors for their hard work and dedication.

Through their leadership and character, this group has continued to build on and contribute to the traditions and culture at Creekside High School. We are very proud of our seniors who serve as an inspiration to all who will follow.

I would also like to encourage our seniors to take time over the next few weeks and thank the people in your life who have made a difference and supported you along this journey.

Creekside High School

Steve McCormick, Principal

Brooke Mackoul, Assistant Principal
