- A teacher must request permission, in writing, prior to utilizing the PG or PG-13 rated movie at school.
- Parents must submit a signed parent permission form prior to students viewing movies with a PG or PG-13 rating.

Please follow each of the specific guidelines when distributing parent permission forms for a movie:

- District procedure for movie approvals indicates all teachers should provide parents with a parent permission form with the complete title of the requested movie listed.
- Only one title may be listed per form.
- No forms should be submitted without a specific title.
- No blanket permissions are permitted- only 1 movie per permission form is allowed.
- Complete a separate form for each movie that has been approved by administration.
- Non-rated films that contain profanity, violence, nudity, or sexual content must be approved by your school level administrator and a PG-13 form should be completed.
- PG-13 movies may not be shown to students under 13 years of age **under any circumstances**.
- No “R” rated movies or portions of those movies are permitted to be shown in the St. Johns County School District.
