Membership in the National Honor Society is one of the highest honors that can be awarded to a high school student. Our NHS chapter has worked hard to bring the accomplishments of outstanding students to the attention of parents, teachers, peers, and the community. Our chapter strives to give practical meaning to the Society's standards of Scholarship, Leadership, Service, and Character. These four ideals have been considered for the basis for your selection. No student is inducted simply because of a high academic average. The National Honor Society strives to recognize the total student, one who excels in all these areas.
