

# 2025 STATE-FUNDED ACT COLLEGE REPORTABLE FOR JUNIORS

## **ABOUT THE TEST:**

On Tuesday, February 25<sup>th</sup>, 2025, all 11th-grade students will have the opportunity to take a college reportable ACT, an important test that provides many benefits that can help them along the path to college. If your student is in 11th-grade, they will automatically be registered by the school district. The ACT scores will inform you about your student's progress toward colleges in making admission decisions. Students who take the ACT will be able to share their ACT scores with colleges and universities. The ACT can also give students concordant scores for Algebra 1/Geometry EOC (score of 16+) and/or FSA ELA Writing/Reading (average score of 18 on the Reading and English subtests). *You can access ACT preparation resources here: [ACT Test Prep](#).*
