July 18-24, 2019

Draft Student Schedules Temporarily Post to HAC:

Draft student schedules will be available for viewing July 18-24 in HAC (Home Access Center). This allows you to review your students tentative schedule and for the school to make any necessary adjustments prior to the start of school. All schedule change requests must be completed through the link located on the Creekside website. This link will become active once schedules are made available. Schedule change requests will be processed in the order that they are received. Due to the volume of requests, it may take up to five days before we are able to respond. We appreciate your patience with this. More information will be available after student schedules post. Students have the first five (5) days of school to request a schedule change. **After August 13 at 4:00 PM, schedule change requests will NOT be accepted.**
