

What you need to do to get a CHS Hallway Locker

In order to acquire a hallway locker, for use during the upcoming school year, there is a required \$5 deposit payable through SchoolPay (see link below).

If you have entered the information in SchoolPay and made the payment, prior to July 25th, you will receive an email with your student's locker information on July 26th, 2022. This will allow 9th grade students to locate their locker on Link Crew Freshman Day, held on July 28th, 2022.

Any student who makes a locker deposit on SchoolPay after July 24th, 2022 will receive their locker information, through an email on August 5th.

You will find the SchoolPay deposit link below
