- Night 1 did a deep dive into the unique differences between 2-year, 4-year, and technical colleges so students can choose the one that's right for them!
- Night 2 walked participants step-by-step through the college application process, sharing expert advice and tips on how students can make their application stand out from the rest!
- Night 3 was all about financial aid, and how students and families can use grants, scholarships, and other aid options to make college more affordable!

If you missed any of the sessions, full recordings are available [HERE](#)
