

2026-2027 Creekside Student Parking

2026-2027 CHS student parking is going paperless. On **MAY 11th** SchoolPay will be available and the instructions below will go out on ParentSquare.

2026-2027 Creekside Parking Permits

We ran out of student parking spaces during the last three school years. So, you should take care of parking in May. We don't have any guarantees that parking will be available in August.

All Parking permits cost \$120 and are available only to seniors and juniors. To obtain your 2026-2027 parking pass, please follow these steps:

1. Purchase your 2026-2027 parking pass via SchoolPay ([click here](#)).
2. In ParentSquare, upload the required copies – student's driver's license, vehicle registration, and vehicle insurance. If you are not sure of the vehicle yet, check "No." (Return to ParentSquare when you confirm a vehicle, and fill out the vehicle information.)
3. In ParentSquare, confirm that the student driver and guardian have read the

2026-2027 Creekside High School Parking Rules ([click here](#)).

Students can use a learner's permit now and then upload the driver's license later.
Even if you won't be driving until later in the school year, you should take care of getting your parking permit now.

Student drivers will pick up their parking passes in the Courtyard during Meet the Teacher Day (August 6th or 7th) or during their lunch beginning on August 10th. Students will show their school ID or driver's license to pick up their parking pass.

Top 50 parking spots will be based on the most current senior weighted GPA ranking.

If you have any questions, please see or email [Dean Hudson](#).
