# 2026–2027 Creekside Student Parking

2026–2027 CHS student parking is going paperless. On MAY 11th SchoolPay will be available and the instructions below will go out on ParentSquare.

## 2026–2027 Creekside Parking Permits

We ran out of student parking spaces during the last three school years. So, you should take care of parking in May. We don't have any guarantees that parking will be available in August.

All Parking permits cost \$120 and are available only to seniors and juniors. To obtain your 2026–2027 parking pass, please follow these steps:

1. Purchase your 2026–2027 parking pass via SchoolPay.
2. In ParentSquare, upload the required copies – student's driver's license, vehicle registration, and vehicle insurance. If you are not sure of the vehicle yet, check "No." (Return to ParentSquare when you confirm a vehicle, and fill out the vehicle information.)
3. In ParentSquare, confirm that the student driver and guardian have read the 2026–2027 Creekside High School Parking Rules ([click here](#)). Students can use a learner's permit now and then upload the driver's license later. Even if you won't be driving until later in the school year, you should take care of getting your parking permit now.

Student drivers will pick up their parking passes in the Courtyard during Meet the Teacher Day (August 6th or 7th) or during their lunch beginning on August 10th. Students will show their school ID or driver's license to pick up their parking pass.

Top 50 parking spots will be based on the most current senior weighted GPA ranking.

If you have any questions, please see or email Dean Hudson

# 2026 – 2027 Athletic Clearance

Due to eligibility requirements, you will need to register now for the 2026-2027 school year in athletic clearance to participate in any sort of conditioning program for the summer. We wish to have this done by 6/1/26 for summer conditioning

Register Athletes at <https://athleticclearance.com/>

The EL2 Physical Form Must be the 2/26 Revision. Both this form and the EL1 EKG screening can be found on the Athletic Website

ECG/EKGs are required for ALL incoming 9<sup>th</sup> graders and those 10-12<sup>th</sup> graders new to sports

ECG/EKGs MUST be submitted on BOTH an EL1 Form and the EKG/ECG Results in athleticclearance

Check the “Who We Play For” Website for dates to get ECG/EKGs. If St. Johns County Schools are full, check surrounding counties or call schools to see if they accept walk-ins. Parents can also get screening suggestions from their pediatrician.

ECG/EKG Do not submit an EL1/2S form. The EL 1/2S is what a doctor uses if further evaluation from a medical provider is needed regarding EKG results or for any type of injury involving an athlete returning to play

Additionally, if your child is a homeschooled, PEP, or virtual student, you MUST submit your paperwork to the athletic department before conditioning or trying out.

Keep in mind that our trainer, Ryan Boyer, does not work over the summer and hundreds of applications are coming in for summer and fall sports.

Students should be watching the NFHS safety courses and sportsmanship courses – not just parents doing it for them. It’s a good idea to watch them together with your child and use it as a teaching moment to expand on the importance of topics being covered in the videos.

This process takes time, so please do not wait until right before conditioning or tryouts because if you are not cleared, you cannot participate or tryout.

  - If need course reinstatement or help working with a teacher, SJVS admin can assist
  - Teachers help students complete so courses are added on time to graduate/promote
  - Placed in course with teacher in same day as request pending school counselor approval
- SJVS Registrar places courses on student schedule and transcript for zoned school

### Flex Program

- Teachers located anywhere in the state of FL
- SJVS unable to place students in FLVS courses, length of wait time up to FLVS Registrar
- SJVS has no control over issues with FLVS teachers. Call FLVS helpline
- Zoned school registrar builds FLVS courses, taking longer to add courses to student schedule and transcript

What's the Same? St. Johns Virtual is a franchise of Florida Virtual, meaning we use the exact same platform and coursework as FLVS. The rigor, acceptability for college admissions, and policies for academic integrity are identical. Both schools allow students to take courses year-round
